**Subject:** Duke Energy of the Carolinas

Dear PSC,

I am writing to protest the rate increase applied for by Duke Energy of the Carolinas in Docket 2011-271-E. The 17% residential increase they are requesting is excessive and would be an undue burden on their residential customers. Duke Energy received an approval of a rate increase from you in January 2010 under Docket 2009-226-E. Please do not approve this current rate increase request.

Sincerely,

Melanie Wilson
